III. ESSAYS (limit 5000 characters each, including spaces)

1. Describe your motivation for pursuing your chosen career.

2. Describe your clinical experiences and what you have learned about yourself and the field of medicine/dentistry/optometry through these experiences. How have these experiences impacted your decision to apply to medical/dental school?

3. In your opinion, what would be your greatest personal asset and greatest personal weakness as a health practitioner? Please do not list the same thing as both a weakness and a strength!

4. The AAMC core competencies for entering health profession students include four intrapersonal competencies (ethical responsibility to self and others; reliability and dependability; resilience and adaptability; capacity for improvement) and five interpersonal competencies (service orientation; social skills; cultural competence; teamwork; oral communication). Of these, identify your two most developed intrapersonal competencies and your two most developed interpersonal competencies. Write one paragraph for each of your choices that describes how you have demonstrated that competency through your college academics and/or activities.

5. Describe an experience (preferably involving a non-relative) that illustrates your physical and emotional ability to be responsible for and responsive to other people's health care needs.

6. In your opinion, what is the most significant problem facing U.S. health care? What approach would you propose to address or resolve this problem? Explain your reasoning.

7. If applicable, describe any significant life obstacles or hardships you've had to overcome on your journey to medical or dental school that you would like for admission committees to know about. How have you coped with and responded to these obstacles/hardships?

8. If you could not be a physician or dentist, what would you be? Why?

IV. Institutional Action

Were you ever the recipient of any institutional action by any college for unacceptable academic performance or conduct violation, even though such action may not have interrupted your enrollment or required you to withdraw?

Yes No

If yes, explain below:
