CONSENT FOR DISCLOSURE

I authorize the Health Professions Advisory Committee at the University of Richmond to release my letter of evaluation and all supporting letters of recommendation to the medical/dental/optometry schools or other post-baccalaureate programs to which I apply. I understand that the HPAC evaluation is based upon and may reference supporting letters, my interview with the HPAC and any other materials contained within my credential file. WAIVER OF ACCESS TO RECORDS

Note: A student is entitled to an HPAC letter of recommendation, regardless of whether or not s/he waives his/her rights to access his/her committee letter. However, students should be aware that not waiving their rights is highly unusual and will likely diminish the impact of the HPAC letter in the admissions decision. Also, if you do not waive your rights to see materials in your file, then you are obligated to inform each person you ask for a reference letter of that fact.

I hereby waive my right of access to confidential statements and recommendations that are contained in, or are a part of, my educational records in the possession of or used by the University of Richmond's HPAC. This waiver, which I understand I am not obligated to sign, can only be revoked in writing and only in respect to confidential statements and recommendations placed in my files subsequent to written revocation.

Please sign either statement:

I **waive** my right to access the contents of my credential file.

I **do not waive** my right to access the contents of my credential file.
